Boya

BOYA Floor, Hotel Meliá Ria, Portugal

Boya

Círculos de luz – em diversos tamanhos, com diferentes orientações. O BOYA permite criar combinações surpreendentes usando a luz como elemento artístico.

BOYA Up&Down 150 LED, C.C Vasco da Gama, Portugal

Orientação de luz direta e indireta, externa, interna e decorativa

A nova elegância

Uma iluminação homogênea que empresta elegância à envolvente.

BOYA Down 90 LED, BOYA Down 150 LED

BOYA Bulbs In 90 LED, ParkLake, Roménia

**Fácil
enquadramento
em qualquer
ambiente**

Versátil

As possibilidades de iluminação do BOYA permitem que seja a peça central de qualquer espaço.

BOYA Up&Down 150 LED, Metro Bilbao, Espanha

**Materiais de
alta qualidade
transformados
com atenção
pelo detalhe**

BOYA In 90 LED

Especialmente para si

A família BOYA proporciona uma iluminação ambiente subtil que evoca uma sensação de tranquilidade e conforto.

Visualmente cativante

Na sua versão mais decorativa, o BOYA Bulbs demarca-se pelo uso de lâmpadas com filamentos LED.

BOYA Bulbs In 90 LED

Climar Lighting . BOYA

Pronto a usar

Design otimizado que facilita a instalação em obra.

BOYA Up 90 LED

BOYA Down 90 LED

Para espaços brilhantes

Queremos que o seu espaço brilhe.
A simplicidade da forma confere a luz e o brilho que deseja.

Detalhes únicos de construção

Perfil de alumínio com difusor integrado que garante um anel de luz perfeito.

BOYA Down 90 LED

BOYA Floor, HAB50, Portugal

Encantadoramente diferente

Suspenso ou de aplicação no pavimento, com difusor exterior frost para iluminação extraordinariamente homogénea.

BOYA In 90 LED

Soluções à medida

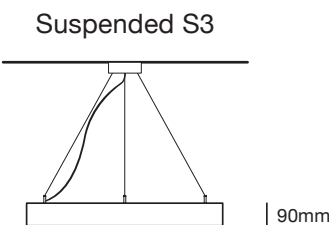

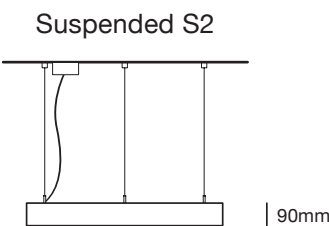

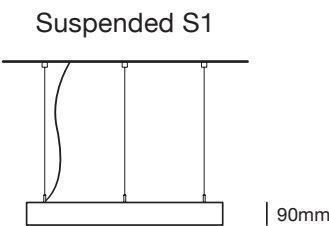

Com tamanhos até 6 metros de diâmetro numa variedade de larguras e cores, BOYA é a solução ideal para projetos e instalações fantásticas.
